Important!

The ski pass is not included in the ESF lessons price. It's necessary to buy it before the lessons. You can find the ski pass tariffs and buy it online or just before the lessons at the ticket office. The participants need to be at the meeting place 10 minutes before the lesson, well equipped for the lesson (skis and helmet is mandatory!)

The insurance is not included in the ESF La Chapelle d'Abondance lessons price. It's preferable to have the valid insurance in case of the winter sports accident in the resort. Without the insurance - first aid at the slopes, doctors consultation, hospitalisation, stolen ski material, the price of the ski pass if you don't use it after the accident- will be charged from you!

We look forward to welcoming you!
