ALPINE DINNER

Winter 2024 - 2025

HAVE A NICE EVENING!

After a day of seminars or to extend your relaxing stay, share a convivial moment around a warm and gourmet table.

The evening

Climb up to the top of the mountain to spend an evening under a tippi or in a mountain chalet, nothing could be more magical, with your feet in the snow and your head in the stars!

Let yourself be welcomed by the crackling fire, the hot soup, the gratinated cheese and the home-made desserts!

The organisation

The night in the mountains is as magical as it is intriguing... let your ESF instructors take care of your safety and make the most of this exceptional moment.

Sledges, yooner, headlamps or torches organised by your instructors.

For a total immersion, prefer the ascent/descent in snowshoes or in ski touring to the motorized machines...

The conviviality

Once up there, your instructors will share with you the anecdotes of yesteryear. If the accordion is present, a festive atmosphere is guaranteed!

Prefer the yurt or the igloo for an experience even more connected with nature.

The evening is animated by the Alpine horn or traditional Savoyard dances by a folk group.

Photos, video... All your wishes and ideas are welcome!
