PRIVATE SKI RACE

Winter 2024 - 2025

CREATE THE EVENT!

Challenge your guests in a special slalom, giant, parallel, kilometre throw, skiercross or boardercross course adapted to all levels and in a friendly spirit.

The race

Meeting with the instructors at the foot of the privatized stadium, briefing on the snow conditions, handing over of the race numbers, recognition of the course and technical advice by small groups.

Opening of the race by an official opener who sets the base time.

The race takes place (1 or 2 runs, individually or in teams according to your wishes).

The challenge

The private race is open to everyone. The timing allows us to establish a ranking according to your preferences.

We can organise the prize-giving (extra prizes) directly at the foot of the stadium or at the restaurant during your lunch.

We can also take care of the prizes (medals, cups, trophies, gourmet baskets, tickets to the Balneo, etc)

The conviviality

Welcome your guests with a hot drink and pastries in the morning.

Serve mulled wine or a glass of Champagne with some appetizers after the race.

Continue with a giant tartiflette or a gourmet lunch on the slopes.

We can adapt to your wishes and advise you on the best addresses...
