SECURITY and RESPONSIBILITY

The children's name must be marked on all their personnel belongings (gloves, hat, sun glasses or goggles...).

The Club staff is not responsible for loss or theft of unmarked clothes or objects.

If a child must take medication, the Manager must be in possession of the prescription and medication.

No medicine can be given to the child without prescription.

If a child gets sick or has an accident during the day, the Manager will take the necessary measures (doctor or emergency services) and call the parents as soon as possible.

However, your child is not insured by the Club. We strongly advise that you take out "the E-gloo Protect" ski insurance which covers the risk of accident and there are no refund or replacement lessons if your child misses the class.

ACTIVITIES AT THE CLUB

Everything is done to make parents' holidays as good as children's holidays...!!!

The supervising staff reserves the right to judge the correct adaptation of your child in the Club, thus deciding whether or not to continue in his or her stay in order to preserve his or her well-being.

The progress rhythm is adapted to the age of children.

Indoor, outdoor activities and skiing initiation are alternated under the supervision of qualified activity leader.

Meals and afternoon or morning snacks are included in the price. Meals served to the children are varied, balanced and of sufficient quality and quantity. Meals are identical for all children, except those subject to specific dietary: allergy, specific diets or religions... It's essential that you notified on the health form.
